Core Competencies

Prospecting & Follow-Up	Lead Qualification & Discovery	CRM & Pipeline Tracking
KPI & Performance Analysis	AI-Enabled Business Tools	Relationship Building & Communication

Education

Texas State University San Marcos, TX Bachelor of Science in Business Management & Administration	August 2026
Austin Community College Austin, TX Associate of General Studies	May 2022

Professional Experience

Crunch Fitness – Personal Trainer Sales Consultant	July 2024 – Present
--	---------------------

Prospecting, Discovery & Pipeline Generation

- Conduct individual sales consultations from needs discovery through pricing discussions, objection handling, recommendation, and close
- Converted 19% of qualified leads into long-term service agreements while exceeding monthly performance targets by an average of 12%
- Built pipeline through qualified leads, referrals, re-engagement, and consistent phone, text, and direct follow-up

CRM Discipline & KPI-Driven Execution

- Monitored revenue, conversion, retention, satisfaction, and operational KPIs to identify trends, prioritize follow-up, and improve execution
- Maintained accurate customer activity, performance, and follow-up records across DataTrak, Genesis, Excel, and internal tracking tools
- Handled pricing discussions and objections while balancing customer needs, business goals, and long-term relationship value

Relationship Growth & Initiative

- Increased client lifetime value by 17% through renewals, package upgrades, cross-selling, and continued relationship development
- Managed a client portfolio with 83% retention and 96% satisfaction while resolving service issues and maintaining engagement
- Created and led a recurring trainer workshop focused on problem-solving and education; later adopted across all franchise locations

Lowe’s – Commercial Customer Support Associate (Seasonal)	May 2022 – August 2023
---	------------------------

- Maintained accurate commercial customer records across CRM systems and internal tracking tools
- Tracked service status, internal responses, deliverables, and corrective actions through resolution
- Coordinated customers and internal teams to support timely resolution, consistent service, and account continuity
